### Show Synopsis

Based on Hans Christian Andersen's classic story *The Ugly Duckling*, **Honk! Jr.** tells the story of a baby duck named Ugly, whose odd, gawky looks are mocked by his family and neighbors. Separated from the farm and pursued by a hungry cat, Ugly must find his way home. Along his rollicking and harrowing journey, he discovers his true beauty and glorious destiny, and also finds love and acceptance. **Honk! Jr.** will treat your family to equal amounts of laughter and tears. Its charm, humor and message of acceptance resonates with audiences of all ages.
